Enhanced Patient Support

The Enhanced Patient Support program for LENVIMA provides a number of services to help patients throughout the treatment journey. Patients receiving LENVIMA from Accredo or Biologics will be automatically enrolled in these services upon consent, whereas patients receiving LENVIMA from another source may be enrolled via the LENVIMA Intake Form or by calling the Eisai Assistance Program at 1-866-61-EISAI (1-866-613-4724).

Enhanced Patient Support includes:
- Comprehensive benefit investigation* to help patients understand their coverage for LENVIMA
- A patient starter kit that includes key LENVIMA educational materials and helpful resources for patients receiving therapy
- Ongoing patient communications for monitoring patient progress, adverse reaction management, and questions about LENVIMA therapy

* Reimbursement assistance for patients receiving LENVIMA from a source other than Accredo or Biologics will be provided by the Eisai Assistance Program. Please call 1-866-61-EISAI (1-866-613-4724) for more information.

Eisai Patient Assistance Program
Eisai has established the Patient Assistance Program for patients who need help paying for LENVIMA. This program provides LENVIMA at no cost to uninsured and financially burdened patients who meet the program eligibility criteria.

Eisai cannot guarantee payment of any claim. Coding, coverage, and reimbursement may vary significantly by payer, plan, patient, and setting of care. Actual coverage and reimbursement decisions are made by individual payers following the receipt of claims. For additional information, customers should consult with their payers for all relevant coding, reimbursement, and coverage requirements. It is the sole responsibility of the provider to select the proper code and ensure the accuracy of all claims used in seeking reimbursement. All services must be medically appropriate and properly supported in the patient medical record.

LENVIMA $0 Co-pay Program

The LENVIMA $0 Co-pay Program offers commercially insured patients a $0 co-pay on each prescription, with a $40,000 annual limit.*

Alternate funding assistance may also be available for those who are not eligible for the LENVIMA $0 Co-pay Program.

*Maximum benefit: The LENVIMA $0 Co-pay Program provides up to $40,000 per year to assist with the out-of-pocket costs for LENVIMA. Depending on the insurance plan, patients could have additional financial responsibility for any amounts over Eisai’s maximum liability.

Eligibility criteria: Good toward the purchase of LENVIMA prescriptions. No substitutions permitted. Not available to patients eligible for state or federal healthcare programs, including Medicare, Medicaid, Medigap, VA, DoD, or TRICARE. Offer only available to patients with private, commercial insurance. Offer available to MA residents through June 30, 2019. May not be combined with any other coupon, discount, prescription savings card, free trial, or other offer. Eisai Inc. reserves the right to rescind, revoke, or amend this offer at any time without notice. Patients and pharmacies are responsible for disclosing to insurance carriers the redemption and value of the program and complying with any other conditions imposed by insurance carriers on third-party payers. The value of this program is not contingent on any prior or future purchases. This program is solely intended to provide savings on a purchase of LENVIMA. Use of this program for any one purchase does not obligate the patient to make future purchases of LENVIMA or any other product. This offer will expire March 31, 2020.
